What's it all about

Marty Metras

Editor

Well this newsletter as the title say is about nothing. I will put almost anything in here. It is for fun stuff, dumb thing, and stupid things. Things that don't make sense or dollars. Things you may not care about. Just unimportant things. There will be no notes on World Peace or Who Killed JR. Just *Nothing or Less*.

Here's out staff so far.

How to Instructions

Marty Metras

Publisher

Well! You to can have some thing published in the *Little or Nothing*. Below are the instructions.

Just give it to me!

There are very few rules you must follow to get me to put your works in the *Nothing or Less*.

1. I must want to publish it.
2. I must be able to read it.
3. I must get time to do it.
- 4.

How to get your works to me.

Email: metras3@concentric.net

Hand it to me.

Mail it to me: Martin E. Metras

How I would like it.

On some thing I can copy and paste into the computer. Like a word.doc file or some work can read. Email is fine. If you put it on paper I have to be able to read it. So print or write clear. No just telling me or phone calls because I may not remember it for a month. Then the store may not be the same when I tell it.

You know what this is like. You know where parked your truck and you have to spend half the morning looking for it.

I went to Vaughan's this morning and found Annette serving breakfast. Do you know how confusing that can be. You plan to have a red head wait on you and it's a blond. Now Tuesday we'll have to give Mary a hard time for not putting here schedule in the *Nothing or Less* newsletter.

Now Don't blame Pam if this looks like it wasn't proof read. This issue was proof read by me. That why it's Issue 1a. I trashed Issue 1 because it was very bad. Pam will proof the following issues unless someone else dose.

dish to pass, you should bring an empty one. Then fill it as you pass it.
